Mayerson Center for Safe and Healthy Children 513-636-SAFE (7233)

### Internet Resources

The following websites support our commitment to child sexual abuse prevention and provide information on prevention, detection and treatment. Many provide statistics, resources and links for both professionals and parents. When visiting these websites look for pages and links dedicated to parents. Keep in mind that resources geared toward parents of preschool-aged children are limited but information directed toward older children can be adapted for use with younger children.
